OKTOBERFEST HATS

2017 OKTOBERFEST TOUR FAQ

LAND PACKAGE AND FLIGHTS:

Can we book our own flights or use Air Miles?

Yes to both questions. JJZ Sports is a full service travel agency so we can book flights for you but it is not mandatory.

Can we extend our visit and travel to other countries?

Yes. North American players must book the 5-day land package but many people will travel early to Europe or stay longer after the 5 days.

What is the difference between group flights and individual tickets?

Group contracts usually don't offer better pricing than individual tickets but rather better conditions. With group contracts, you only need to provide names 60 days prior to departure and you don't need to pay in full at the time of booking; two distinct advantages when dealing with sport groups. If a group contract interests you, please contact us at james@jjzsports.com.

What size are the hotel rooms?

In general, the rooms are smaller than a typical N.A. hotel room.

What quality are the hotel rooms?

Motel One Munich South is a mid level Hotel. Similar quality as some large chain hotels in North America like Holiday Inn, Ramada, Best Western etc.

What size are the dorm rooms?

The dorms rooms are varied sizes. We have rooms booked with 2, 4, 5 and 6 beds in each room.

What quality are the dorm rooms?

The rooms are simple and are similar quality to a university dorm room in North America. The rooms are located right beside the arena and only a 15 minute walk to downtown Bad Tolz. <http://bad-toelz.jugendherberge.de/de-DE/Portraet>

How many people can stay in a room?

Can individual players sign up?

Yes, we will assign you to a team.

MONEY:

Can we use credit cards while in Munich?

YES...normally all major cards are accepted.

Can we use our bank card?

YES...but you have to find an affiliate bank (within the "PLUS" system or "EURO CARD" system). This is the easiest way to deal with the different currencies.

Should I bring traveller's cheques?

Some people feel more comfortable with traveller's cheques (In Euros is easiest) but with the ease of use of bank cards, they are not necessary.

INSURANCE:

What travel insurance is included?

There is **no** travel insurance included in your 5-day package.

Travellers should check what other coverage they have through work or other private companies and then decide if they would like to purchase Manulife travel insurance through JJZ Sports.

Are players covered during hockey games if they purchase Manulife Travel Insurance?

Manulife Medical coverage does include amateur sports coverage but individuals should read their policy to clarify all the exclusions and to make certain they have adequate coverage.

TRAVEL DOCUMENTS:

Do I only need a passport?

Currently for North American passport holders travelling to Germany only a passport is required, but we do suggest that every individual look into their own personal situation (landed immigrant etc.) with their respective embassy/consulate prior to travelling.

FUEL SURCHARGES—Individuals are responsible for any fuel surcharges charged by the airline. Individuals will pay the applicable airline taxes owing at the time of ticket issuance (this can vary from the group price quoted at booking).

ROOM ALLOCATION—Hoteliers are solely responsible for room allocation, in accordance with the category reserved by consumers. Should customers choose to alter their room category upon arrival at destination (upon availability), they must make their own arrangements with the hotelier and assume all additional fees levied by them. Special requests concerning room amenities and location can be transmitted to the hotelier. These requests do not constitute on any account a confirmation.

CONNECTING FLIGHTS—Whenever customers book connecting flights, they must allow sufficient time to make the connection. No control can be exercised over airline carriers to guarantee flight schedules, which may be altered or affected by various circumstances. All connecting flight reservations are made at the risk of the customer, who hereby agrees to assume the cost of any loss in the event of a change to the original flight schedule. JJZ cannot be held liable for damages or additional fees incurred by customers owing to a missed flight connection, whatever the reason.

Liability: The provisions of the Warsaw Convention, as well as the notice appearing on the passenger ticket and baggage check, govern the loss of and damage to baggage and establish the limits of carrier liability. At all other times, baggage is transported at the risk of consumers.

Airport check-in: It is mandatory that customers arrive at the airport check-in counter at least two (2) hours prior to departure, failing which their reservation may be **cancelled** and their seats may be assigned to other customers, with no right of recourse.

DEVIATIONS—Supplements are payable for individuals wishing to vary or modify their tour dates from those of the main group. The airlines' deviations fees vary depending on the number and extent of the deviations. Total number of deviations is strictly limited.

CUSTOMER CHANGES—Absolutely **no** changes will be made **after** the final balance (full payment) has been received unless otherwise allowed by supplier, paid for by customer and there is a reasonable amount of time to implement the change.

CHANGES TO TRAVEL SERVICES—If confirmed goods or services are no longer available prior to the departure date or subsequent to arrival at destination, JJZ reserves the right to substitute them for comparable goods or services, or to cancel them in the case of default. If the substituted goods or services are of lesser value, the liability of JJZ shall be limited to the sole difference in cost. If the substituted goods or services are of greater value, the customer will be required to disburse an amount equal to the difference between the original prices and the substituted goods or services. The customer will be entitled to refuse such substitutions, in such a case, and in the event of a cancellation, liability of JJZ shall be limited to the reimbursement of the price of goods or services paid by the customer.

SPORTS AND ACTIVITIES—JJZ cannot be held responsible for any accident or mishap occurring at the destination during the practice of any sport and/or activity in which the customers participate of their own free will and initiative. Please see "Travel Insurance".

TRAVEL INSURANCE—JJZ offers Travel Insurance to all JJZ travelers as a measure of added consumer protection. If customers decide to decline coverage, they should purchase travel insurance elsewhere or confirm any other personal coverage they might have before departure. For information and details about the travel insurance plan best suited to their needs, consumers are advised to consult with their JJZ travel coordinator.
